PREMIERE 2023

MAINSTREAM BRAND

CRAFT® GIN

ORIGINAL and FLAVORED GIN

CRAFT® GIN PREMIERE 2023. The limited production of gin is an extension of the Craft® brand, which has so far offered competition-winning Polish-Scottish Whisky and Ratafia Fruit & SPIRIT.

The interesting character of **CRAFT® GIN** is the result of small production, many years of experience and passion for creating new, unique drinks.

CRAFT® GIN is available in a classic-dry and flavored version. Its unique taste comes from high-quality ingredients, such as grain spirit, aromatic herbs and juniper fruit distillate.

In 2024, it is planned to expand the flavor range.
