## CHARLEY'S GIN FLAVORED GIN

**CHARLEY'S FLAVORED GIN** is a proposition for fans of refreshing flavors. Produced on the basis of **Charley's Original Gin**, which owes its dry and smooth taste to high-quality ingredients, such as grain spirit, aromatic herbs and juniper fruit distillate.

**CHARLEY'S FLAVORED GIN HIBISCUS** is an interesting twist of the delicate sweetness of wild rose and extremely refreshing hibiscus.

**CHARLEY'S FLAVORED GIN LIME & ORANGE** is a pleasant combination of sour lime and refreshing orange.

**CHARLEY'S FLAVORED GIN RED ORANGE** is a combination of classic gin with a smooth taste and a distinct note of juniper with the sweetness of orange.

**CHARLEY'S FLAVORED GIN** tastes best served over ice. It is perfect for drinks with the addition of soft drinks such as sprite, tonic water or sparkling water with the addition of ice and fresh fruit slices and mint leaves.
