CHARLEY'S GIN ORIGINAL GIN

CHARLEY'S GIN ORIGINAL has its roots in the inspiring travels of Charles Hunter. The taste is that of classic dry gin, manufactured from high quality grain spirit with added herbs and juniper distillate. Refreshing to the palate and on the nose thanks to the juniper as well as its citrus, herb and wooden notes. It is an ideal base for traditional drinks and cocktails dry martini, Tom Collins, which perfectly expose its characteristic, juniper bitterness. **CHARLEY'S GIN ORIGINAL** might compete with numerous world renowned gin brands. It is perfectly pure, thanks to the multiple distillation and crystal clear water used in the production process.
