## PURE VODKA

# POLSKA

Flawless taste,  
thanks to  
a traditional recipe  
based on cereals  
from native crops.

**POLSKA CZYSTA** is a vodka based on a traditional recipe, the basis of which is spirit from cereals grown on domestic farms. The combination of high-quality rectified spirit and crystal clear water gives it a smooth taste. Expressive on the nose with peppery notes of wet cardamom seeds. The taste includes pepper and vanilla accompanied by tart white grapes. The finish is definitely dry with a lot of bitterness typical of hawthorn.

**POLSKA SMAKOWA** is an excellent semi-sweet tincture produced on the basis of fruit macerates, natural fruit juices and their aromas. Available in a capacity of 100 ml.
