

V.DOUBLE

PURE PREMIUM VODKA

V.DOUBLE PURE VODKA is an original brand for connoisseurs of highest quality alcohols, it was created out of passion shared by the entire family, long distillery traditions and ambitious search for perfection. Its unique character emphasizes the highest quality of resources used during every step of the production process. It offers an interesting combination of spirits obtained from wheat and spelt subjected to carbon-platinum filtration with a long maturing period, both before as well as after filtration. Thanks to the used technology and the three-time aeration, **V.DOUBLE PURE VODKA** has obtained sweet aroma offering traces of plums, vanilla, nuts and both earthy and flowery notes. The taste is extraordinarily delicate and expressive, slightly nutty and oily, while the finish is dominated by subtle bitterness characteristic of rowan and minty refreshment. Moreover, the finish is long, oily, warming and peppery.

V.DOUBLE PURE VODKA is signed with the seal of Brothers Wawrzyniak, which symbolizes mutually shared passions, respect for family tradition and brotherhood in business. It is a guarantee of modern style and original taste.
