PURE VODKA

ESKIMO STRONG and **ESKIMO SPECIAL** are vodkas an economy class offered in a more affordable price while at the same time being highly praised by connoisseurs. The historic brand used to belong to Polmos, then it was reactivated and brought to the market by the AWW Group. The production process uses grade grain spirit made of high quality grain coming from a.i. our own farms. Specially purified water as well as active coal filtration gives the product consistently high quality.

There are two types of pure vodka in offer:

ESKIMO STRONG 40% vol.

ESKIMO SPECIAL 38% vol.
