WÓDKA POZNAŃSKA TRADYCYJNA

PURE VODKA

WÓDKA POZNAŃSKA TRADYCYJNA it is a perfect, pure vodka manufactured on the basis of grade spirit obtained from the grain and crystal clear water. The smooth and neutral palate is owed to the multiple distillation and absorptive filtration processes. The history of the product goes back to the golden times of Polish spirit industry, thus evoking sentiments and warm memories for the older generation. For the young ones the vodka in its fashionable vintage style of Polish People's Republic delivers an exotic experience. It is sold in simple bottles with the shape reminiscent of the most classic Polish vodka bottles.
