# JARZĘBIAK ROWAN FLAVORED VODKA

**JARZĘBIAK ROWAN** is a high quality flavored vodka obtained from a blend of grain vodka based on luxury grade spirit and a composition of steeps of rowan, plums and raisins. It is a traditional produce enjoyed in the days of Polish People's Republic. The vodka's recipe is based on a carefully selected composition of proprietary fruit macerates, which translates directly into its unique taste. Hints of dried fruits, rowan, raisins and wooden notes on the nose while the palate has a bitterness of rowan balanced with the sweetness of raisins and plums.

**JARZĘBIAK ROWAN** is marked with Wawrzyn Sign – a sign reserved for the product of the AWW Prestige line.
