SPIRYTUS KALISKI REKTYFIKOWANY 95%

RECTIFIED SPIRIT

SPIRYTUS KALISKI 95% is manufactured from luxury grade spirit on the basis of high quality grain from a.i. our own farms and crystal clear water. The product has an almost non distinct smell nor taste, it is the best choice for the production of homemade cordials, liqueurs and vodkas as well as for baking products. Its high quality is ensured by the process of six time distillation and the chemical purity is guaranteed by best resources and rigorous controls conducted by modern laboratories of the AWW Group equipped in gas chromatographs.
